Video Editing/Motion Design | Tribute | First Bryan

AUG 2023

Savannah, GA (remote)

A 2 month *collaborative* documentary project in honor of Pastor Christopher Pittman's 4th anniversary at the Historic First Bryan Baptist Church. In this project, we explored Dr. Pittman's personal background and journey to pastoring. We further explored the hearts and minds of a few leaders and friends within the congregation as it relates to Dr. Pittman's impact on the body of Christ. My specific role in the collaboration was creating a lower thirds animation for the names and leadership roles of the members, friends and family included in the documentary + editing for the documentary's intro/outro with use of kinetic typography & heavy imagery.
